

# Fidelity™ L Series

Zonal Geranium

www.PWfourstar.com

Fidelity™ L varieties feature deep green foliage and medium vigor. This versatile series is perfect for 4.50, and 1.0 GL production, as well as hanging baskets.

- Plants display multiple flowers at first color for immediate and high-impact retail appeal.
- Shelf appeal and sales potential are further bolstered by the series' impressive bloom size — among the largest available on the market.
- Reduce costs with Fidelity L! With excellent vigor in the greenhouse, Fidelity L is ideal for reduced-temperature finishing.
- Achieve bench-run shipping and reliable retail delivery with Fidelity L. Varieties are matched in flowering and habit across all colors, and ship well.
- Available as a Proven Selections brand variety, and sold in a 3 x 25 count strip tray.
