* For our SuperSaver™ Rate Column (1-2 Box, 3-15 Box and Great 128+ Rate Columns) and Anytime Rate Column, shipments will be billed per box. Rate per tray comparison is based on standard 84 count trays, with 8 trays per box, constituting a full box. Your per tray costs may vary depending on quantity and variety of tray sizes ordered. See [chart under 'Shipping / Packaging'](#) for packaging specifics. Take advantage of the greatest savings per tray by ordering in full box increments.

Gold Key customers are billed freight on a per tray basis provided the ship week is inclusive of the SuperSaver™ Ship Week schedule, otherwise the anytime rate will apply, and will be charged per box.

SuperSaver™ rates are not available for zone 8 at this time. Anytime rates will apply to this zone. Call our office for an individual quote.

Visit the [Key Grower](#) Program Area on this web site, listed under the menu 'Programs' to find out how you can easily achieve this status, and at the same time take advantage of incredible freight rates as a bonus!
